CHRIST COMMUNITY
CHURCH

Who is Christ Community Church?

History

We are an eighty plus year old church family that began through a series of evangelistic tent meetings. Over the years we have been located in downtown Fort Myers, on the Caloosahatchee River, and in the early 1980's we moved to our current home.

Affiliation

We belong to a global network of churches known as the Christian and Missionary Alliance. This network includes over 2,000 churches in the United States, and almost seven million worshipers in eighty countries around the world!

Beliefs

We believe that the Bible is God's inerrant Word and Jesus Christ is our only hope for eternal life. We strongly emphasize the importance of relying on the Holy Spirit for total life transformation as well as a personal encounter and relationship with God. Our full doctrinal statement is available online.

Mission

Our mission is the same mission Jesus gave to all churches as recorded in Matthew 28:19-20 and Acts 1:8. Jesus' mission for us is to go and make disciples locally and around the world.

Vision

We are a church that is transforming lives through the truth, love, and action of Jesus

Finding Your Place at CCC

Values

Our values reflect what we see as the core of what defines a disciple in the Bible. A disciple is someone who has been transformed by God's grace, is committed to the truth of God's Word, lives out the love of Jesus, and puts their faith into action by living on mission. These values of truth, love, and action are the driving principles for everything we do as a church.

Overview of Connecting Point Class and why it matters.

Connecting Point is a four-week class led by Pastor Chad and other key leaders at CCC on Sundays from 9:00 to 10:15 AM. Connecting Point unpacks our foundational beliefs, discipleship core values, and how you can plug in and make steps to connect. The class also offers lots of time for discussion so you can feel comfortable making CCC your church home. While the goal of Connecting Point is not to convince you to become a member at CCC, completion of the Connecting Point class is a requirement to apply for church membership.

Connecting Point Schedule
